****VILLAGE WEBSITE:** All good.

****COMMUNITY CENTER:** Julie Hauser presented their quarterly financial statement to the village board as requested.

****STREETS/SIGNS:** Discussion about the cost to replace all signs/posts/holders in the Village all at one time, it was decided to do just a section of the Village at a time, as finances allowed.

****MAPLE STREET CULVERT REPLACEMENT:** Paul reported Russ Thompson Excavating Inc has been contacted to replace the current damaged/blocked culvert. They indicated they would do the project within two weeks to a month.

****VETERANS' MURAL:** Julie Hauser informed the Board that there is a party that would be interested in painting a Veterans' mural in Tony that would be much like the murals currently in the City of Ladysmith and Village of Bruce. If the Village is interested, Julie would get estimates for the project cost. Julie was given consent to pursue estimates and report back to the Board.
